

Federal and State eFiling and Reporting

Streamline your tax reporting processes with Sage MAS 90 and 200 Federal and State eFiling and Reporting module capabilities. Eliminate manual form creation and save time by choosing from over 250 federal and state forms for Unemployment, Withholding, New Hire reports, W2s, W3s, and 1099s.

With Sage MAS 90 and 200 Federal and State eFiling and Reporting, you'll be able to print and mail the provided federal and state forms. The electronic forms will look very familiar, as they are a replica of the government form you would receive in the mail. The electronic form that will appear on your screen won't be blank however—much of the information will already be filled out for you by your Sage MAS 90 or Sage MAS 200 ERP system. View and edit the information easily on your screen, and once you've verified it's the way you want it, the form is ready to print or eFile. If you choose to print the form, you'll be able to utilize blank, perforated W2 & 1099 forms, available for purchase from our Forms Division, without having to align pre-printed forms. Many state forms, such as Withholding and Unemployment, allow you to print on blank paper, and don't require the purchase of any preprinted forms.

Go completely green by utilizing our eFiling Service, offered on a transaction fee basis, to further streamline and simplify your tax reporting process. You choose how much of the service to utilize, from efficient filing of employee New Hire or Unemployment forms to a complete filing service for W2s and 1099s, with hardcopies sent to your employees, and to you for your records. You can also provide your employees with immediate access to their copy on a secure Web site. You only incur fees for the forms you choose to eFile. No sign up fees, and no subscription fees.

You'll always be in compliance with our automated form updates. And every report is saved in its own history file for easy retrieval to reprint, edit, or eFile. Use Federal and State eFiling and Reporting to save significant time so you can focus on other important areas of your business.
